Thank you so much for taking the time to review it! Unsurprisingly, all your comments are very helpful and will make it a stronger piece. (b) (6), we're now aiming to publish it on July 12. I'll let you know when it's public.

As I've mentioned to some of you, we've been working on a report on WIC participation during the pandemic. A near-final version is attached and we'd very much appreciate it if you or your staff could

review it to make sure we're presenting your data accurately. If you will be able to get us feedback by the end of the day on Thursday July 1, we'd be able to address it before our planned publication date of Tuesday July 6. But if you need more time to review it, please just let me know. Feel free to share it with others within FNS for review, but please do not share it more widely until we publish it.

Thanks very much—  
Zoë
